KFPS Grooming Requirements...Effective Immediately

In 2014, the KFPS collectively decided that grooming of the Friesian horse has to meet the requirements for welfare. This information was published previously and has been included as part of our Inspection Handbook. While most members normally respect this rule, it hasn't been followed or enforced to the degree the KFPS expects.

Friesian Horse Club of Southern California

Sunny greetings from the Friesian Horse Club of SoCal. We had a wonderful start to the month of May with our FHCSC All Breed Spring Horse Show on May 1st. It was touch and go for awhile with the EVH-1 outbreak not far from where we were to host our show at Buffalo Spring Ranch in Redlands, but the danger was thankfully past by our show date and the day was perfect with weather in the 70s.

Devon Wyman, our club Treasurer was the event coordinator, and along with her right hand assistant and fellow club member, Bonnie Minder, she put on an amazing show complete with the most beautiful show ribbons I have ever seen – each award level with its own unique picture of a Friesian horse in the center of the ribbon. We had a very good sized turnout, but only one Friesian showed this time around. However, during the show, Devon presented her very pregnant mare, Minuet as a Friesian example of the breed.

Marcia Goodwin brought her star gelding, Griffin. He packed around a novice student of trainer, Kim Bauman as well as Kim's young daughter in the lead line class. All the other club members were working the event and did not bring their horses this time. Participants had class options from in-hand to ridden disciplines which included Trail classes at the end of the day for all styles of show. (An elderly and sedate mini won the in-hand trail class!) The day was enjoyable for participants and workers, and all had a chance to win a prize at the drawing for multiple gift baskets at the end of the day. We had many local sponsors, and Finish Line Products was there on site with a nice display and donations as well. Many thanks to Devon, to Bonnie, and to our club members who were there in support the day of the event.

May was really Devon's month. Along with the FHSCS Spring Show on the 1st, Devon celebrated her birthday on the 2nd; and, on May 17th, her mare, Minuet von Tara Farms (Sipke 450 x Wander 352) foaled out a gorgeous Hessel 480 filly named Valkyrie. Congratulations to Devon and Minuet, and the Wyman family on their new addition.

The FHCSC will be exhibiting horses at the Orange County Fair in Costa Mesa, CA. in August. If you're in the area during the 2nd week in August, please do stop by and visit. Have a wonderful summer and enjoy your horses.
