Chapter News

To be included in the Chapter news, all Chapter submissions must be received by the FHANA office by the 25th of each month. Submissions can be sent to fhana@fhana.com

The Atlantic Canada Friesian Horse Association held its inspection at the beautiful Sumac Farms, located in Trenton, Nova Scotia on August 18th 2022. It had been 4 years since our very first inspection in this region. Needless to say we were very excited to host this event on behalf of the KFPS and FHANA!
Our judges were Mr. Pieter Bergsma and Mr. Wil Thyssen. However Mr. Bergsma was unable to attend due to a family emergency. This left Mr. Wil Thyssen to judge the 10 participating horses and one IBOB test on his own.
The day started with the IBOB test. This is a test where the horse is ridden in a dressage like pattern, where the horse is asked to walk, trot and canter. However, this test cannot be compared to a dressage test. The difference is that in this test the emphasis lies strongly on the horse's way of going. The natural ability of the gates.
After the IBOB test Mr. Thyssen conducted a judging clinic. This clinic was very informative and well received by our spectators and participants. For many persons this was the first ever Friesian Horse Inspection they attended or participated in. Some had never even seen a Friesian Horse before!
Time for the inspection to start. First up, the foals. Both participating foals are bred and owned by Friesian Meadows Farm, South Granville, PEI These fillies could not be more different! One is robust and big boned while the other is refined and elegant. They are both very correctly build. Uniecke fan Friesian Meadows (Matthys 504 X Tsjalle 454) took the championship with a 2nd premie while Trude (Nane 492 X Tsjalle 454) became reserve champion also with a 2e premie
After the fillies it was time for the 4 yr. old and older mares for studbook and star
Wiecke fan de Greidpleats (Tsjalle 454 x Maeije 440) became Studbook with a 3e premie and received high praise for her excellent trot. Eke fan Marksate (Walt487 x Wikke 404) was taken into the studbook with compliments on her nice frame and long mane.

In the category 3 yr old mares for studbook and star Jiselle MF (Hessel 480 x Jakob 302) received the star predicate with a 2e premie. Jiselle is owned by Sheree Gurnell, Emerald PEI and was trained by Anna Osinga-Bouma (Friesian Meadows Farm) Also partaking was Juniper KCF. Juniper KCF was tense and didn't show herself to her full potential. She was taken into the studbook.
Anneke van Green pasture (Fridse 423 x Krist 358) is a large impressive mare with a strong ground covering trot. She remained 3e premie studbook.
In the category Yearling colts Percival Up (Hessel 480 x Mewes 438) showed what he was made of. The well-developed colt waltzed around the ring, good for a second premie and the colt championship! Percival UP is owned by Vanessa Burghardt from Lilly Vale, New Brunswick
Last but not least, Jinte G fan'e Rydwei (Uldrik457 x Anton 343) Jinte received the excellent score of 77.5 points for her strong IBOB performance earlier that day. Ridden by her owner, Inge van der Spek from Hunter River, PEI. Jinte is a first premie star mare. She is a beautiful elegant mare with great movement. Needless to say she was the queen of the day and took the overall championship!
Congratulations to all owners, participants and many thanks to our judge, volunteers, sponsors and spectators! Without you this day would not have been the same.
A very special thank you to our runners Jorn Kuipers and Janne de Vries, this would inspection not have been possible without your expertise!
